HEALTHCARE

Let us be the ones who say we do not accept that a child dies every three seconds simply because he does not have the drugs you and I have. Let us be the ones to say we are not satisfied that your place of birth determines your right for life. Let us be outraged, let us be loud, let us be bold." ***Brad Pitt***

PASCO YOUTH INITIATIVE

Mission:

The purpose of PYI is to identify barriers that young people face on their road to self-sufficiency and put solutions in place to ensure the success of our future workforce.

History:

The Pasco Youth Initiative was created in November 2013 as a result of discussions between the following organizations:

- Hernando Youth Initiative (HYI)
- Pasco Economic Development Center
- Pasco/Hernando Workforce Board's Youth Committee

PYI is proud to be the first group within the Tampa Bay area to use the HYI model. We are a team of youth advocates working together for the benefit of Pasco County youth and families with a vision for a better future.

What We Do:

- Understand local issues and challenges
- Take action to make a difference
- Engage community members in initiatives
- Meet monthly to manage activities.

Active Committees:
