Hudson Middle School is committed to providing our families with consistent and timely information. Families will be informed of school events, volunteer opportunities, and specific student information through various modes of communication:

- SchoolConnects System
- School Website
- Social Media – Facebook, Twitter, etc.
- Documents sent home with students
- Mid Quarterly and Quarterly Reports of Student Progress

Hudson Middle School will partner with our families utilizing a School/Family Compact. The Compact will specify the expectations and goals for the student, family and school. These expectations will enable the student to have a meaningful experience with a focus on academic achievement.

Families are encouraged to provide feedback regarding their experiences through Satisfaction surveys after each Family event as well as during our annual needs assessment survey. In addition, the School Advisory Council will annually review and make recommendations for the Parent Involvement Plan and Family/School Compact.

The Parent Involvement Plan is made available annually to all parents. In carrying out the requirements of this plan, Hudson Middle School shall provide full opportunities for the participation of parents of students, who have limited English proficiency, parents of students, who have disabilities and parents of migratory students. All information and school reports will be provided in a format, to the extent that is practical, and of the language which parents can understand.
